MEMORANDUM

To

The Hon'ble Shri A. B. Shetty,
Minister for Public Health, Govt. of Madras,
Camp, PUTTUR. 26 DEC 1952

MINISTER FOR HEALTH
GOVERNMENT OF MADRAS

SECRETARIAT
29 DEC 1952
HEALTH DEPARTMENT

Sub: RURAL DISPENSARY at Uppinangady - Disabilities experienced by afflicted people in and around a radius of 20 miles owing to limited hours of attendance at the Rural Dispensary - Conversion of the same into a full-fledged whole-time Regular Dispensary - requested.

63317

We, the undersigned public, living in and around the village of Uppinangady in Puttur Taluk, South Kanara District, beg to place before the government the following facts for their kind consideration and favourable orders:-

1. That the Rural Dispensary functioning in the village of Uppinangady is open for attendance on the suffering public only during restricted hours in the day-time.

2. That a very large number of afflicted persons residing in the surrounding areas extending to about 20 or 25 miles into the Malnad are disappointed for want of adequate medical aid in the Rural Dispensary at Uppinangady and have to frequently trek their way to distant Taluk Headquarters like Puttur and/or Kasargod for getting medical relief even of a minor nature.

3. That there is great need for the conversion of the existing Rural Dispensary into a full-fledged whole-time Regular Dispensary with accommodation for atleast four (4) beds for in-patients including Maternity and ante-natal clinic for the benefit of the expentant mothers.

4. That the figures of daily attendance furnished by the Rural Dispensary staff at Uppinangady to the Government of Madras should not be taken into consideration in view of the fact that an overwhelming majority of the suffering people around Uppinangady village have to seek relief elsewhere for the present for the reasons stated above.

Pray therefore that the scheme of converting the present Rural Dispensary into a full-fledged whole-time Regular Dispensaty be incorporated either in the Five-Year Plan or the Malnad Development Scheme and the same be carried out as quickly as possible. Any communication in this behalf may kindly be addressed to President, Uppinangady Circle Congress Committee.

For which act of benevolence the public of Uppinangady village and surrounding areas will ever feel grateful.

We remain,
Sir,
Yours truly,

ASSISTANT SECRETARY
